Rockpoint School – Burlington

From I-89 take Exit 14 West. Go past UVM down Main St to Battery St. At the bottom of Main Street turn right onto Battery St. Go up the hill (Lake Champlain on your left) until you have to go left and then turn right at the Police Station onto North Ave. Go down North Ave past the Catholic Diocese complex and the Cemetery. You will see the BHS Athletic complex on your left and BHS as you turn left onto Institute Rd. Go past the main parking lot and turn into the lower lot at the base of the school (opposite the track/football field). There is limited parking. You might need to park in the main parking lot. You must walk from the BHS lot toward the Rock Point School driveway entrance. Cars are not allowed into the Rock Point School complex. At the top of the driveway there is a dirt road that goes down to the soccer field. You cannot see the field. As you walk down this small road (30 yds) the soccer field is behind the Rock Point School complex.
